WELCOME TO TATA ROOFTOP

Dear Guest,

Welcome to the TATA cocktail experience at Hotel Sanders Rooftop.

The weekend is upon us, why we invite you to lean back and enjoy our selection of cocktails inspired by the cherished tradition of the Italian Aperitivo Hour. The Aperitivo Hour begins in the afternoon and entails time together with loved ones accompanied by what Italians enjoy gathering around the most – light savory snacks and refreshing, bittersweet cocktails.

The bartenders of TATA are excited to enter a brighter and lighter stage of Hotel Sanders on the weekends and will do their utmost to bring the ambience and atmosphere of the Aperitivo Hour for you to wrap up your week with a smile.

Enjoy

The TATA Team.
