WELCOME TO TATA

Dear Guest,

Welcome to TATA Cocktail Bar at Hotel Sanders.

The sun is back, and Copenhagen is blossoming once again, which makes us want to sing and dance. To celebrate the transition from darkness to light, the team at TATA has prepared a bright, refreshing, and seasonal spring and summer menu, “Arabesque”, for you to indulge in.

Founder, owner, and creative director, Alexander Kølpin, was acknowledged as the best male solo ballerino in the world in 1993, which became the creative inspiration for a variety of wonderful concoctions and libations inspired by the classical performing arts, such as opera, theatre, and ballet.

We look forward to staging an exciting cocktail experience for you and sharing the story of how our contemporary interpretations came to be.

Enjoy

The TATA Team.
